

## Plan your trip

Sound Transit in partnership with King County Metro is providing a variety of incentives to reduce drive-alone trips.

Register online at [justonetrip.org](http://justonetrip.org) to earn rewards and learn about travel options and monthly drawings for:

- Taxi, Uber and Lyft discount codes
- Orca cards, gift cards for local businesses
- Discover/Parks passes

Registered users, upon completion of a short survey, will receive an emergency ride home code and a \$25 gift card for logging eight trips per month for three months and completing a follow-up survey. Eligibility restrictions may apply.

## Park-and-ride options during East Link construction

### Construction in South Bellevue and Redmond

East Link construction will kick off in south Bellevue as early as January 2017 and in Redmond as early as spring 2017. Sound Transit will use the South Bellevue and Overlake Transit Center park-and-ride sites to stage equipment and materials to build the light rail tracks, stations and parking garages.

### South Bellevue Park-and-Ride to close as early as January 2017

The South Bellevue Park-and-Ride will be closed for approximately five years during construction. ST Express buses 550, 555 and 556, and Metro buses 241 and 249 will continue to serve Bellevue Way Southeast next to the closed park-and-ride during construction. The future South Bellevue Station will include bus and paratransit transfer facilities and a 1,500-stall parking garage.

### Overlake Transit Center Park-and-Ride to close as early as spring 2017

The Overlake Transit Center Park-and-Ride will be closed for approximately six years during construction. Transit will continue to serve Overlake Transit Center while the park-and-ride is closed. The future Redmond Technology Center Station will include bus, paratransit and Microsoft Connector service transfer facilities, a bicycle and pedestrian bridge across SR 520, and a 320-stall parking garage.

Sound Transit and the contractor will explore opportunities to open the park-and-rides sooner if possible.

### Stay informed

- Schedule details about the park-and-ride closures will be available in advance of the closures.
- Information will be available on Sound Transit's website and distributed through Sound Transit alerts.
