BACKFLOW-PREVENTION-DEVICE (BFD) TESTING: Homeowners with lawn irrigation systems, fire sprinklers, and other external systems that are permanently connected to the Town’s water supply must have the BFD on each system tested annually. For several years, the Town has contracted with a certified tester to perform these tests on behalf of homeowners at a cost of about $40 per device. Testing usually begins in July or August.

- If you have participated in the Town’s BFD testing program in the past, and you want to continue participating, you don’t need to do anything; HOWEVER,
- If you have NOT participated and wish to join the Town’s testing program OR if you have participated and wish to make your own arrangements going forward, please contact Clerk/Treasurer Spens at townhall@beauxarts-wa.gov to let her know your desired change. If you make your own arrangements for BFD testing, please be sure to ask the testing company to forward a copy of your results to the Town at this same email address.

COUNCIL BUSINESS: The following discussions took place at the most recent Council meeting:

- **Water Main Project:** The Council solicited bids from several firms but received only one bid for the Water Main Replacement Project. The winning bidder was Bonner Brothers, a firm that has done work for the Water Department on many occasions, and the winning bid was well within budget expectations. Work is expected to get underway sometime this summer. This project will be disruptive at times; the Water Department will work to keep Villagers informed of details to help everyone minimize the impact of these disruptions.

- **Interfund Loan for Water Main Project:** The Council worked on details for an ordinance authorizing a loan from the Town’s General Fund to the Water Department. Final action will take place at the June Council meeting.
• **Bennett Request to Replace Fence:** The Council granted conditional approval to a request from Jim and Karla Bennett to replace a fence that sits on Town right-of-way.

• **Town Property Management:** The Council continued discussing its approach to managing the public spaces and expects to continue the discussion as needed.

**Next COUNCIL MEETING:** The next regular meeting of the Town Council will be held 7pm on **Tuesday, June 11, 2019** at Hans Juhle’s house. Interested persons are encouraged to attend.

**DOGS:** This area is known to be dog-friendly; please remember to be a good dog neighbor:

- Pick up after your dog. Dispose of bags in the garbage bin. There are two bag dispensers available on the beach.
- Keep your dog on a leash, or under voice control. There is an off-leash dog area on the beach near the restrooms just south of the tennis courts (subject to WABA rules).
- Keep your dog out of other people’s yards.
- Have your pets licensed: [https://www.beauxarts-wa.gov/animal-services](https://www.beauxarts-wa.gov/animal-services)

**EAST LINK CONSTRUCTION – SOUND TRANSIT:** Emailed updates show night and weekend ramp or lane closures, and ongoing weekday construction delays in the work zone. Weekly construction updates are now posted on the Town’s website and through Sound Transit: [https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery](https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery)

**KING COUNTY SOLID WASTE DIVISION NEWSLETTER:** Check out our County’s latest report, tips, suggestions and updates through their newsletter on capital projects, the city approval process, community input, recycling, hazardous waste, waste prevention plans, transfer stations and landfill at [https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9](https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9).

**LAKE-TO-LAKE BIKE RIDE in BELLEVUE:** The Bellevue Parks Department is again hosting its Lake-to-Lake Bike Ride on **June 8, 2019**. The event includes two loops: a nine-mile loop through the Lake Hills Greenbelt and a more challenging 22-mile loop that extends farther west and includes the Beaux Arts “Arterial” (104th/SE 28th/105th). Start time for the longer loop is between 9 and 9:30, and the BAV section is at the 8-mile mark, so any bikers choosing to ride this loop should easily be through Beaux Arts by 11 am. For more information about the event, including a route map, please visit [https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride](https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride).

**MARSHAL REPORT:** Mid-May an unknown person was seen going around the backside of a home in the lower village, and a fire was put out by the fire department in the upper village. Please report incidents to the King County Sheriff and the Town Marshal as needed. See also monthly crime statistics or details through:

- King County Sheriff: [https://www.crimereports.com/](https://www.crimereports.com/)
- NextDoor Enatai; [https://enataisurreydowns.nextdoor.com/login/](https://enataisurreydowns.nextdoor.com/login/)

**THANK YOU:** Thanks to ALL who participated in May’s Town Clean-up. Genuine community caring shows in the magnitude of what was accomplished! As you wander the Village, please take notice of all the hard work accomplished, especially on these projects:
• The absence of debris, blackberry brambles and ivy along Academy Path and south woods;
• Wood chips spread at the south end of Glen Path;
• Bushes trimmed along Angle Path;
• Take particular time to admire and test out the new stairway running between the street end of 103rd and SE 28th Place (the south beach hill road). What an improvement! These stairs represent a true team effort. Special thanks are due to Aaron Sharp for organizing and leading the group, and Paul Driftmeyer for donating the concrete pavers; they won’t rot!

TOWN BUILDING NEWS: Permits were issued in the last month for the following work:
2730 – 105th Ave. SE Replace Air Conditioner
2708 – 106th Pl. SE New Heat pump
Most work requires a permit, and/or a zoning review. For example, did you know?
• Structures, including mechanical equipment, are not allowed within the setbacks
• Landscape sprinklers must have an annual back flow prevention testing after permitting
• There are regulations for work in the ROW including some plantings. Please consult the Town’s website https://www.beauxarts-wa.gov/building-department-permit-center and municipal codes, or contact Deputy Clerk Angela Kulp if you have any questions.

TRAFFIC ALERT/“SEATTLE SQUEEZE”: Through 2023, over 1,000 construction projects will continue to change how we move downtown Seattle to accommodate a growing population. The City of Seattle, Washington State Department of Transportation, King County Metro, and Sound Transit are working hard to keep us informed and moving. Please use these tools:
• Seattle Traffic: https://www.seattletraffic.org/, https://www.seattletraffic.org/about/
• Traffic: https://www.seattletraffic.org/tools/ or 206-684-ROAD or 684-ROAD@Seattle.gov

WATER DEPARTMENT’S ANNUAL CONSUMER CONFIDENCE REPORT: To view the current Consumer Confidence Report for 2019, please visit https://www.beauxarts-wa.gov/water-quality-report. This report outlines key testing requirements and results and documents that the Beaux Arts Water Department meets all requirements for quality, health and safety testing as set by the Washington State Department of Health.

WABA / Western Academy of Beaux Arts NEWS:
B.A.R.F.: Beaux Arts Racing Fleet resumes their annual summer C15 (Coronado 15’) sailboat races; racing starts Wednesday, June 5th and runs through the last Wednesday of August. If you are interested in sailing, but don’t have a boat, please come down and crew. Bring your life jacket. Boats launch around 6:00 pm from the C15 dock at south beach. Or - come watch the racing - just off the C dock, beginning at 6:25pm. A potluck picnic dinner is provided at the north BBQ after the races for all participants.

The kids’ Katy Jo Trophy will be awarded for the winner of the Summer Picnic Junior Regatta again this year. All village kids are encouraged to come out on Saturday, July 27th and race with an adult C15 sailor! And, BARF encourages village kids to come down any Wednesday evening and experience sailing.
Thanks to Chandler and Carey Sharp who are organizing the C15 Nationals at the WABA Beach on July 18-20. BARF encourages all C15 owners to race in the Nationals, or if not, charter their boat to out-of-towners. For more info, contact Fritz Johnston, C15 Fleet Captain, or email the WABA Clerk wabaclerk@gmail.com.

BOARD MEETING: This month’s meeting of the WABA Board of Trustees will be held on Thursday, June 13, 2019 at 7:00pm, at the Driftmeyer residence.

DOG POLICY, effective Memorial Day through Labor Day: In an effort to protect the recently restored Woodlands areas and clarify existing rules, the WABA dog policies have been updated and revised: See the links: Revised Dog Rules and Dog Map with a trail through the south beach parking to the off-leash dog area, mid-beach. Thank you for keeping your dog restricted to these rules for the summer and out of the swim area until after Labor Day. Please see WABA Clerk Kristin Mange with any questions.

KIDS’ SWIM LESSONS NOW AVAILABLE: New this year: children and grandchildren of WABA members can take swimming lessons at the WABA beach. Lessons are taught 1:1, last 30 minutes, and are available from 11am-1pm only. A WABA member must accompany the child during lesson time. Please contact the WABA Clerk for the registration form. Completed registration forms are due to WABA Clerk Kristin Mange by June 28th. Once the form is received, you will be matched with an available instructor. Full payment is due to WABA after the lessons are confirmed.

LOST & FOUND: Found – a portable cell phone charger. See Deputy Clerk Kulp to describe.

MASTERS REPORTS: From our tireless volunteers that oversee our community waterfront

BEACH: Please remember the beach rule that any guests must be accompanied at the beach by a member, and all vehicles must have WABA stickers or guest passes when parked at the beach. Please see Mark Schaadt for any beach questions.

DOCKS: See Jay Jacobsen

WOODLANDS: See Julia Morse

MEET THE WABA LIFEGUARDS! We are pleased to again have a crew of experienced lifeguards this year. Come meet them and have a Popsicle on Friday, June 21st at 12:30pm.

MOVIE NIGHTS! Back by popular demand! Bring a blanket or low-backed lawn chair and come enjoy a movie under the stars. Thanks to Tom Garvey and Shep Griswold for organizing. Movies are TBD and will be shown at 9:15pm on these dates:

Friday, June 28th

Friday, July 26th

Thursday, August 22

PICKLE BALL MONDAYS: Come be a part of the newest WABA summer tradition… Pickle Ball Mondays starting Monday, June 10, 6-8 pm. Newbie’s encouraged; paddles and balls will be provided! Games will be doubles format (two people on a team) and teams will be selected each Monday, based on attendees. We will assign points to winners and there will be an awards bbq and prizes at the end of the summer.

SPONTANEOUS SUMMER POP-UP PARTY, Sunday, June 2 from 4:00-6:00pm:
Celebrate our wildlife, our trails, and all of our new neighbors.

Our two resident eagles are raising eaglets in the great big eagle’s nest at the top of the trails.

In the last 12-months we’ve had 11 new families move into the Village - this would be a good time to say Welcome!

We’d like to invite everyone who is available Sunday to come down to the beach & enjoy appetizers and a beverage, and maybe stay until sunset with your own picnic dinner.

Please RSVP so we can plan the drinks and snacks. If you’d like to contribute, please do!

Sign up for a Trail walk and Eagle’s Nest Viewing – 4:00 – 4:30pm

If you’d like to come to the beach by way of the Woodland trails, or the Village trails, we can arrange for a neighbor to show you the way as needed.

We especially encourage you to stop and see the eagles’ nest from a great viewing point near Richards-Jacobsen/Vasen/and D’Alessio houses; we’ll have a telescope set up, and invite you to bring your binoculars, as well as your questions – our eagles are busy bringing in fish and small creatures for their young, and they’ve successfully raised one or two eaglets in our Village each year for the last 20+ years.

SUMMER LIFEGUARD SCHEDULE: Lifeguards begin their summer hours on **Wednesday, June 19th!** Regular hours for the summer are:

- **1pm - 6pm** on Sundays-Thursdays
- **1pm - 7pm** on Fridays and Saturdays

Lifeguard shifts may occasionally be cancelled due to inclement weather. If there are changes to the schedule, a message will be put on the board at the beach. Please note if you are planning a large event with a lot of children at the beach, you may be asked to provide a lifeguard.

SUMMER YOGA BEGINS: **Friday, June 7th at 9:00am.** Come join the first of this summer’s weekly morning yoga sessions at the BAV beach taught by our very own Leah Juhle. Leah is a cheerful, positive, delightful instructor who will guide us through an invigorating slow flow, offering options and modifications for all levels of practice. This is such a special opportunity to experience outdoor yoga in the fresh air, stimulating all of our senses. Invite a neighbor or other friend to come with you! The yoga sessions will be held **weekly on Fridays at 9:00am.** No yoga experience required!

- **WHAT:** One hour, all levels vinyasa yoga class taught by yoga instructor and Villager, Leah Juhle at the swim dock of the WABA beach.
- **WHEN:** Fridays, starting June 7, at 9:00 - 10:00am
- **PRICE:** $15 cash, per person, per session
- **BRING:** Yoga mat, water bottle, cash
- **SIGN-UP:** Please email Robin Stefan if you would like to join us, even for just one session, so that you can be added to the email list for reminders, schedule changes, announcements, weather cancellations, etc.

SWIMMING RULES: Please make all your swimmers and guests aware of our swim rules.

1. No child under ten years of age may swim at the beach unless accompanied by an adult. Exceptions will be granted if the child has passed the swimming test and has a signed parental release form on file with the lifeguard.
2. The lifeguard is not responsible for anyone swimming outside the roped-off swim area.
3. In order to be allowed on the swim dock or in the water beyond the roped-off “non-swimmers” area, children must pass the swim test under the lifeguard’s supervision.
4. Non-swimmers are limited to the area next to the beach that is roped off for them. Children who are non-swimmers whether in the water or on the swim dock must at all times be accompanied by an adult or designated appointee who will be responsible for the children’s safety and conduct. Adult non-swimmers are accountable for their own safety. Life jackets are recommended for non-swimmers.

5. **Diving and flipping from the high-dive platform is prohibited.** Only jumping feet first is permitted. The water level is **too low** for safe diving. There is no diving from the dock leading to the swim platform.

6. Dogs are not allowed in the swim beach area.

**WABA SUMMER PICNIC, SATURDAY, JULY 27th:** Did you mark your calendar for the annual WABA Summer Picnic? We'll have our traditional fishing derby, followed by the pet parade, some field activities, a junior BARF regatta, kids' and campout. And with so many kids' events, we'd welcome anyone who wants to organize a grown-up activity, such as wine tasting, bocce ball, etc. Please contact Eugenia Yen if you'd like to plan something.

This year, a team of gourmet cooks (headed by Brian Moco) will provide the main picnic fare: a deluxe taco bar with carnitas, chicken, steak, and veggie options. Please contact Brian if you'd like to join the team. Costs will be $15/person or $45/family. Side dishes, salads, and desserts are also welcome. We will have lemonade; bring a bottle of wine or make margaritas. Details and the day's schedule will be in the July newsletter and posted on mailbox stands.

**WELCOME:** Welcome your fellow neighbors to the beach by introducing yourself! When we have an opportunity to engage in a positive manner, we won’t alienate our own neighbors, and we can re-direct those that need it. Beaux Arts has always been a place small enough where we can know our neighbors and can be friendly to one another, truly feeling part of this community. Let’s keep it that way by getting to know one another better!

MEET THE WABA LIFEGUARDS! We are pleased to again have a crew of experienced lifeguards this year. Come meet them and have a Popsicle on Friday, June 21st at 12:30pm.

MOVIE NIGHTS! Back by popular demand! Bring a blanket or low-backed lawn chair and come enjoy a movie under the stars. Thanks to Tom Garvey and Shep Griswold for organizing. Movies are TBD and will be shown at 9:15pm on these dates:

Friday, June 28th Friday, July 26th Thursday, August 22

PICKLE BALL MONDAYS: Come be a part of the newest WABA summer tradition… Pickle Ball Mondays starting Monday, June 10, 6-8 pm. Newbie’s encouraged; paddles and balls will be provided! Games will be doubles format (two people on a team) and teams will be selected each Monday, based on attendees. We will assign points to winners and there will be an awards bbq and prizes at the end of the summer.

SPONTANEOUS SUMMER POP-UP PARTY, Sunday, June 2 from 4:00-6:00pm:
• Celebrate our wildlife, our trails, and all of our new neighbors
• Our two resident eagles are raising eaglets in the great big eagle’s nest at the top of the trails
• In the last 12-months we’ve had 11 new families move into the Village - this would be a good time to say Welcome!
• We’d like to invite everyone who is available Sunday to come down to the beach & enjoy appetizers and a beverage, and maybe stay until sunset with your own picnic dinner
Please RSVP so we can plan the drinks and snacks. If you’d like to contribute, please do!
Sign up for a Trail walk and Eagle’s Nest Viewing – 4:00 – 4:30pm
• If you’d like to come to the beach by way of the Woodland trails, or the Village trails, we can arrange for a neighbor to show you the way as needed.
• We especially encourage you to stop and see the eagles’ nest from a great viewing point near Richards-Jacobsen/Vasen/and D’Alessio houses; we’ll have a telescope set up, and invite you to bring your binoculars, as well as your questions – our eagles are busy bringing in fish and small creatures for their young, and they’ve successfully raised one or two eaglets in our Village each year for the last 20+ years.

SUMMER LIFEGUARD SCHEDULE: Lifeguards begin their summer hours on **Wednesday, June 19th**! Regular hours for the summer are:

- **1pm - 6pm** on Sundays-Thursdays
- **1pm - 7pm** on Fridays and Saturdays

Lifeguard shifts may occasionally be cancelled due to inclement weather. If there are changes to the schedule, a message will be put on the board at the beach. Please note if you are planning a large event with a lot of children at the beach, you may be asked to provide a lifeguard.

SUMMER YOGA BEGINS: **Friday, June 7th at 9:00am.** Come join the first of this summer’s weekly morning yoga sessions at the BAV beach taught by our very own Leah Juhle. Leah is a cheerful, positive, delightful instructor who will guide us through an invigorating slow flow, offering options and modifications for all levels of practice. This is such a special opportunity to experience outdoor yoga in the fresh air, stimulating all of our senses. Invite a neighbor or other friend to come with you! The yoga sessions will be held **weekly on Fridays at 9:00am.** No yoga experience required!

- **WHAT:** One hour, **all levels** vinyasa yoga class taught by yoga instructor and Villager, Leah Juhle at the swim dock of the WABA beach.
- **WHEN:** Fridays, starting June 7, at 9:00 - 10:00am
- **PRICE:** $15 cash, per person, per session
- **BRING:** Yoga mat, water bottle, cash
- **SIGN-UP:** Please email Robin Stefan if you would like to join us, even for just one session, so that you can be added to the email list for reminders, schedule changes, announcements, weather cancellations, etc.

SWIMMING RULES: Please make all your swimmers and guests aware of our swim rules.
1. No child under ten years of age may swim at the beach unless accompanied by an adult. Exceptions will be granted if the child has passed the swimming test and has a signed parental release form on file with the lifeguard.
2. The lifeguard is not responsible for anyone swimming outside the roped-off swim area.
3. In order to be allowed on the swim dock or in the water beyond the roped-off “non-swimmers” area, children must pass the swim test under the lifeguard’s supervision.
4. Non-swimmers are limited to the area next to the beach that is roped off for them. Children who are non-swimmers whether in the water or on the swim dock must at all times be accompanied by an adult or designated appointee who will be responsible for the children’s safety and conduct. Adult non-swimmers are accountable for their own safety. Life jackets are recommended for non-swimmers.

5. **Diving and flipping from the high-dive platform is prohibited.** Only jumping feet first is permitted. The water level is too low for safe diving. There is no diving from the dock leading to the swim platform.

6. Dogs are not allowed in the swim beach area.

**WABA SUMMER PICNIC, SATURDAY, JULY 27th:** Did you mark your calendar for the annual WABA Summer Picnic? We'll have our traditional fishing derby, followed by the pet parade, some field activities, a junior BARF regatta, kids' and campout. And with so many kids' events, we’d welcome anyone who wants to organize a grown-up activity, such as wine tasting, bocce ball, etc. Please contact Eugenia Yen if you'd like to plan something.

This year, a team of gourmet cooks (headed by Brian Moco) will provide the main picnic fare: a deluxe taco bar with carnitas, chicken, steak, and veggie options. Please contact Brian if you'd like to join the team. Costs will be $15/person or $45/family. Side dishes, salads, and desserts are also welcome. We will have lemonade; bring a bottle of wine or make margaritas. Details and the day's schedule will be in the July newsletter and posted on mailbox stands.

**WELCOME:** Welcome your fellow neighbors to the beach by introducing yourself! When we have an opportunity to engage in a positive manner, we won’t alienate our own neighbors, and we can re-direct those that need it. Beaux Arts has always been a place small enough where we can know our neighbors and can be friendly to one another, truly feeling part of this community. Let’s keep it that way by getting to know one another better!

BACKFLOW-PREVENTION-DEVICE (BFD) TESTING:  Homeowners with lawn irrigation systems, fire sprinklers, and other external systems that are permanently connected to the Town’s water supply must have the BFD on each system tested annually. For several years, the Town has contracted with a certified tester to perform these tests on behalf of homeowners at a cost of about $40 per device. Testing usually begins in July or August.

• If you have participated in the Town’s BFD testing program in the past, and you want to continue participating, you don’t need to do anything; HOWEVER,

• If you have NOT participated and wish to join the Town’s testing program OR if you have participated and wish to make your own arrangements going forward, please contact Clerk/Treasurer Spens at townhall@beauxarts-wa.gov to let her know your desired change.

If you make your own arrangements for BFD testing, please be sure to ask the testing company to forward a copy of your results to the Town at this same email address.

COUNCIL BUSINESS:  The following discussions took place at the most recent Council meeting:

• Water Main Project:  The Council solicited bids from several firms but received only one bid for the Water Main Replacement Project. The winning bidder was Bonner Brothers, a firm that has done work for the Water Department on many occasions, and the winning bid was well within budget expectations. Work is expected to get underway sometime this summer. This project will be disruptive at times; the Water Department will work to keep Villagers informed of details to help everyone minimize the impact of these disruptions.

• Interfund Loan for Water Main Project:  The Council worked on details for an ordinance authorizing a loan from the Town’s General Fund to the Water Department. Final action will take place at the June Council meeting.
- **Bennett Request to Replace Fence**: The Council granted conditional approval to a request from Jim and Karla Bennett to replace a fence that sits on Town right-of-way.
- **Town Property Management**: The Council continued discussing its approach to managing the public spaces and expects to continue the discussion as needed.

**Next COUNCIL MEETING**: The next regular meeting of the Town Council will be held 7pm on **Tuesday, June 11, 2019** at Hans Juhle’s house. Interested persons are encouraged to attend.

**DOGS**: This area is known to be dog-friendly; please remember to be a good dog neighbor:
- Pick up after your dog. Dispose of bags in the garbage bin. There are two bag dispensers available on the beach.
- Keep your dog on a leash, or under voice control. There is an off-leash dog area on the beach near the restrooms just south of the tennis courts (subject to WABA rules).
- Keep your dog out of other people’s yards.
- Have your pets licensed: [https://www.beauxarts-wa.gov/animal-services](https://www.beauxarts-wa.gov/animal-services)

**EAST LINK CONSTRUCTION – SOUND TRANSIT**: Emailed updates show night and weekend ramp or lane closures, and ongoing weekday construction delays in the work zone. Weekly construction updates are now posted on the Town’s website and through Sound Transit: [https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery](https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery)

**KING COUNTY SOLID WASTE DIVISION NEWSLETTER**: Check out our County’s latest report, tips, suggestions and updates through their newsletter on capital projects, the city approval process, community input, recycling, hazardous waste, waste prevention plans, transfer stations and landfill at [https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9](https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9).

**LAKE-TO-LAKE BIKE RIDE in BELLEVUE**: The Bellevue Parks Department is again hosting its Lake-to-Lake Bike Ride on **June 8, 2019**. The event includes two loops: a nine-mile loop through the Lake Hills Greenbelt and a more challenging 22-mile loop that extends farther west and includes the Beaux Arts “Arterial” (104th/SE 28th/105th). Start time for the longer loop is between 9 and 9:30, and the BAV section is at the 8-mile mark, so any bikers choosing to ride this loop should easily be through Beaux Arts by 11 am. For more information about the event, including a route map, please visit [https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride](https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride).

**MARSHAL REPORT**: Mid-May an unknown person was seen going around the backside of a home in the lower village, and a fire was put out by the fire department in the upper village. Please report incidents to the King County Sheriff and the Town Marshal as needed. See also monthly crime statistics or details through:
- King County Sheriff: [https://www.crimereports.com/](https://www.crimereports.com/)
- NextDoor Enatai: [https://enataisurreydowns.nextdoor.com/login/](https://enataisurreydowns.nextdoor.com/login/).

**THANK YOU**: Thanks to ALL who participated in May’s Town Clean-up. Genuine community caring shows in the magnitude of what was accomplished! As you wander the Village, please take notice of all the hard work accomplished, especially on these projects:
• The absence of debris, blackberry brambles and ivy along Academy Path and south woods;
• Wood chips spread at the south end of Glen Path;
• Bushes trimmed along Angle Path;
• Take particular time to admire and test out the new stairway running between the street end of 103rd and SE 28th Place (the south beach hill road). What an improvement! These stairs represent a true team effort. Special thanks are due to Aaron Sharp for organizing and leading the group, and Paul Driftmeyer for donating the concrete pavers; they won’t rot!

TOWN BUILDING NEWS: Permits were issued in the last month for the following work:
2730 – 105th Ave. SE Replace Air Conditioner
2708 – 106th Pl. SE New Heat pump
Most work requires a permit, and/or a zoning review. For example, did you know?
• Structures, including mechanical equipment, are not allowed within the setbacks
• Landscape sprinklers must have an annual back flow prevention testing after permitting
• There are regulations for work in the ROW including some plantings. Please consult the Town’s website [https://www.beauxarts-wa.gov/building-department-permit-center](https://www.beauxarts-wa.gov/building-department-permit-center) and municipal codes, or contact Deputy Clerk Angela Kulp if you have any questions.

TRAFFIC ALERT/“SEATTLE SQUEEZE”: Through 2023, over 1,000 construction projects will continue to change how we move downtown Seattle to accommodate a growing population. The City of Seattle, Washington State Department of Transportation, King County Metro, and Sound Transit are working hard to keep us informed and moving. Please use these tools:
• Seattle Traffic: [https://www.seattletraffic.org/](https://www.seattletraffic.org/), [https://www.seattletraffic.org/about/](https://www.seattletraffic.org/about/)

WATER DEPARTMENT’S ANNUAL CONSUMER CONFIDENCE REPORT: To view the current Consumer Confidence Report for 2019, please visit [https://www.beauxarts-wa.gov/water-quality-report](https://www.beauxarts-wa.gov/water-quality-report). This report outlines key testing requirements and results and documents that the Beaux Arts Water Department meets all requirements for quality, health and safety testing as set by the Washington State Department of Health.

WABA / Western Academy of Beaux Arts NEWS:
B.A.R.F.: Beaux Arts Racing Fleet resumes their annual summer C15 (Coronado 15’) sailboat races; racing starts Wednesday, June 5th and runs through the last Wednesday of August. If you are interested in sailing, but don’t have a boat, please come down and crew. Bring your life jacket. Boats launch around 6:00 pm from the C15 dock at south beach. Or - come watch the racing - just off the C dock, beginning at 6:25pm. A potluck picnic dinner is provided at the north BBQ after the races for all participants.

The kids' Katy Jo Trophy will be awarded for the winner of the Summer Picnic Junior Regatta again this year. All village kids are encouraged to come out on Saturday, July 27th and race with an adult C15 sailor! And, BARF encourages village kids to come down any Wednesday evening and experience sailing.
Thanks to Chandler and Carey Sharp who are organizing the C15 Nationals at the WABA Beach on July 18-20. BARF encourages all C15 owners to race in the Nationals, or if not, charter their boat to out-of-towners. For more info, contact Fritz Johnston, C15 Fleet Captain, or email the WABA Clerk wabaclerk@gmail.com.

BOARD MEETING: This month’s meeting of the WABA Board of Trustees will be held on Thursday, June 13, 2019 at 7:00pm, at the Driftmeyer residence.

DOG POLICY, effective Memorial Day through Labor Day: In an effort to protect the recently restored Woodlands areas and clarify existing rules, the WABA dog policies have been updated and revised: See the links: Revised Dog Rules and Dog Map with a trail through the south beach parking to the off-leash dog area, mid-beach. Thank you for keeping your dog restricted to these rules for the summer and out of the swim area until after Labor Day. Please see WABA Clerk Kristin Mange with any questions.

KIDS' SWIM LESSONS NOW AVAILABLE: New this year: children and grandchildren of WABA members can take swimming lessons at the WABA beach. Lessons are taught 1:1, last 30 minutes, and are available from 11am-1pm only. A WABA member must accompany the child during lesson time. Please contact the WABA Clerk for the registration form. Completed registration forms are due to WABA Clerk Kristin Mange by June 28th. Once the form is received, you will be matched with an available instructor. Full payment is due to WABA after the lessons are confirmed.

LOST & FOUND: Found – a portable cell phone charger. See Deputy Clerk Kulp to describe.

MASTERS REPORTS: From our tireless volunteers that oversee our community waterfront
BEACH: Please remember the beach rule that any guests must be accompanied at the beach by a member, and all vehicles must have WABA stickers or guest passes when parked at the beach. Please see Mark Schaadt for any beach questions.

**LAKE-TO-LAKE BIKE RIDE in BELLEVUE**: The Bellevue Parks Department is again hosting its Lake-to-Lake Bike Ride on June 8, 2019. The event includes two loops: a nine-mile loop through the Lake Hills Greenbelt and a more challenging 22-mile loop that extends farther west and includes the Beaux Arts “Arterial” (104th/SE 28th/105th). Start time for the longer loop is between 9 and 9:30, and the BAV section is at the 8-mile mark, so any bikers choosing to ride this loop should easily be through Beaux Arts by 11 am. For more information about the event, including a route map, please visit [https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride](https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride).

**MARSHAL REPORT**: Mid-May an unknown person was seen going around the backside of a home in the lower village, and a fire was put out by the fire department in the upper village. Please report incidents to the King County Sheriff and the Town Marshal as needed. See also monthly crime statistics or details through:

**THANK YOU**: Thanks to ALL who participated in May’s Town Clean-up. Genuine community caring shows in the magnitude of what was accomplished! As you wander the Village, please take notice of all the hard work accomplished, especially on these projects:
- The absence of debris, blackberry brambles and ivy along Academy Path and south woods;
- Wood chips spread at the south end of Glen Path;
- Bushes trimmed along Angle Path;
- Take particular time to admire and test out the new stairway running between the street end of 103rd and SE 28th Place (the south beach hill road). What an improvement! These stairs represent a true team effort. Special thanks are due to Aaron Sharp for organizing and leading the group, and Paul Driftmeyer for donating the concrete pavers; they won’t rot!

**TOWN BUILDING NEWS:** Permits were issued in the last month for the following work:
- 2730 – 105th Ave. SE  Replace Air Conditioner
- 2708 – 106th Pl. SE  New Heat pump

Most work requires a permit, and/or a zoning review. For example, did you know?
- Structures, including mechanical equipment, are not allowed within the setbacks
- Landscape sprinklers must have an annual back flow prevention testing after permitting
- There are regulations for work in the ROW including some plantings. Please consult the Town’s website [https://www.beauxarts-wa.gov/building-department-permit-center](https://www.beauxarts-wa.gov/building-department-permit-center) and municipal codes, or contact Deputy Clerk Angela Kulp if you have any questions.

**WABA / Western Academy of Beaux Arts NEWS:**

**B.A.R.F.:** Beaux Arts Racing Fleet resumes their annual summer C15 (Coronado 15’) sailboat races; racing starts Wednesday, June 5th and runs through the last Wednesday of August. If you are interested in sailing, but don’t have a boat, please come down and crew. Bring your life jacket. Boats launch around 6:00 pm from the C15 dock at south beach. Or - come watch the racing - just off the C dock, beginning at 6:25pm. A potluck picnic dinner is provided at the north BBQ after the races for all participants.

The kids' **Katy Jo Trophy** will be awarded for the winner of the Summer Picnic Junior Regatta again this year. All village kids are encouraged to come out on Saturday, July 27th and race with an adult C15 sailor! And, BARF encourages village kids to come down any Wednesday evening and experience sailing.
Thanks to Chandler and Carey Sharp who are organizing the C15 Nationals at the WABA Beach on July 18-20. BARF encourages all C15 owners to race in the Nationals, or if not, charter their boat to out-of-towners. For more info, contact Fritz Johnston, C15 Fleet Captain, or email the WABA Clerk wabaclerk@gmail.com.

BOARD MEETING: This month’s meeting of the WABA Board of Trustees will be held on Thursday, June 13, 2019 at 7:00pm, at the Driftmeyer residence.

DOG POLICY, effective Memorial Day through Labor Day: In an effort to protect the recently restored Woodlands areas and clarify existing rules, the WABA dog policies have been updated and revised: See the links: Revised Dog Rules and Dog Map with a trail through the south beach parking to the off-leash dog area, mid-beach. Thank you for keeping your dog restricted to these rules for the summer and out of the swim area until after Labor Day. Please see WABA Clerk Kristin Mange with any questions.

KIDS' SWIM LESSONS NOW AVAILABLE: New this year: children and grandchildren of WABA members can take swimming lessons at the WABA beach. Lessons are taught 1:1, last 30 minutes, and are available from 11am-1pm only. A WABA member must accompany the child during lesson time. Please contact the WABA Clerk for the registration form. Completed registration forms are due to WABA Clerk Kristin Mange by June 28th. Once the form is received, you will be matched with an available instructor. Full payment is due to WABA after the lessons are confirmed.

LOST & FOUND: Found – a portable cell phone charger. See Deputy Clerk Kulp to describe.

MASTERS REPORTS: From our tireless volunteers that oversee our community waterfront
BEACH: Please remember the beach rule that any guests must be accompanied at the beach by a member, and all vehicles must have WABA stickers or guest passes when parked at the beach. Please see Mark Schaadt for any beach questions.

WOODLANDS: See Julia Morse

MEET THE WABA LIFEGUARDS! We are pleased to again have a crew of experienced lifeguards this year. Come meet them and have a Popsicle on Friday, June 21st at 12:30pm.

MOVIE NIGHTS! Back by popular demand! Bring a blanket or low-backed lawn chair and come enjoy a movie under the stars. Thanks to Tom Garvey and Shep Griswold for organizing. Movies are TBD and will be shown at 9:15pm on these dates:
- Friday, June 28th
- Friday, July 26th
- Thursday, August 22

PICKLE BALL MONDAYS: Come be a part of the newest WABA summer tradition… Pickle Ball Mondays starting Monday, June 10, 6-8 pm. Newbie’s encouraged; paddles and balls will be provided! Games will be doubles format (two people on a team) and teams will be selected each Monday, based on attendees. We will assign points to winners and there will be an awards bbq and prizes at the end of the summer.

SPONTANEOUS SUMMER POP-UP PARTY, Sunday, June 2 from 4:00-6:00pm:
Celebrate our wildlife, our trails, and all of our new neighbors
Our two resident eagles are raising eaglets in the great big eagle’s nest at the top of the trails
In the last 12-months we’ve had 11 new families move into the Village - this would be a good time to say Welcome!
We’d like to invite everyone who is available Sunday to come down to the beach & enjoy appetizers and a beverage, and maybe stay until sunset with your own picnic dinner
Please RSVP so we can plan the drinks and snacks. If you’d like to contribute, please do!
Sign up for a Trail walk and Eagle’s Nest Viewing – 4:00 – 4:30pm
If you’d like to come to the beach by way of the Woodland trails, or the Village trails, we can arrange for a neighbor to show you the way as needed.
We especially encourage you to stop and see the eagles’ nest from a great viewing point near Richards-Jacobsen/Vasen/and D’Alessio houses; we’ll have a telescope set up, and invite you to bring your binoculars, as well as your questions – our eagles are busy bringing in fish and small creatures for their young, and they’ve successfully raised one or two eaglets in our Village each year for the last 20+ years.

SUMMER LIFEGUARD SCHEDULE:  Lifeguards begin their summer hours on Wednesday, June 19th!  Regular hours for the summer are:

1pm - 6pm on Sundays-Thursdays
1pm - 7pm on Fridays and Saturdays

Lifeguard shifts may occasionally be cancelled due to inclement weather. If there are changes to the schedule, a message will be put on the board at the beach. Please note if you are planning a large event with a lot of children at the beach, you may be asked to provide a lifeguard.

SUMMER YOGA BEGINS: Friday, June 7th at 9:00am.  Come join the first of this summer’s weekly morning yoga sessions at the BAV beach taught by our very own Leah Juhle.  Leah is a cheerful, positive, delightful instructor who will guide us through an invigorating slow flow, offering options and modifications for all levels of practice.  This is such a special opportunity to experience outdoor yoga in the fresh air, stimulating all of our senses.  Invite a neighbor or other friend to come with you!  The yoga sessions will be held weekly on Fridays at 9:00am.  No yoga experience required!

WHAT:  One hour, all levels vinyasa yoga class taught by yoga instructor and Villager, Leah Juhle at the swim dock of the WABA beach.
WHEN:  Fridays, starting June 7, at 9:00 - 10:00am
PRICE:  $15 cash, per person, per session
BRING:  Yoga mat, water bottle, cash
SIGN-UP:  Please email Robin Stefan if you would like to join us, even for just one session, so that you can be added to the email list for reminders, schedule changes, announcements, weather cancellations, etc.

SWIMMING RULES:  Please make all your swimmers and guests aware of our swim rules.
1. No child under ten years of age may swim at the beach unless accompanied by an adult.  Exceptions will be granted if the child has passed the swimming test and has a signed parental release form on file with the lifeguard.
2. The lifeguard is not responsible for anyone swimming outside the roped-off swim area.
3. In order to be allowed on the swim dock or in the water beyond the roped-off “non-swimmers” area, children must pass the swim test under the lifeguard’s supervision.
4. Non-swimmers are limited to the area next to the beach that is roped off for them. Children
who are non-swimmers whether in the water or on the swim dock must at all times be
accompanied by an adult or designated appointee who will be responsible for the children’s
safety and conduct. Adult non-swimmers are accountable for their own safety. Life jackets
are recommended for non-swimmers.

5. **Diving and flipping from the high-dive platform is prohibited.** Only jumping feet first is
permitted. The water level is too low for safe diving. There is no diving from the dock
leading to the swim platform.

6. Dogs are not allowed in the swim beach area.

**WABA SUMMER PICNIC, SATURDAY, JULY 27th:** Did you mark your calendar for the
annual WABA Summer Picnic? We'll have our traditional fishing derby, followed by the pet
parade, some field activities, a junior BARF regatta, kids' and campout. And with so many kids'
events, we’d welcome anyone who wants to organize a grown-up activity, such as wine tasting,
bocce ball, etc. Please contact Eugenia Yen if you'd like to plan something.

This year, a team of gourmet cooks (headed by Brian Moco) will provide the main picnic
fare: a deluxe taco bar with carnitas, chicken, steak, and veggie options. Please contact Brian if
you'd like to join the team. Costs will be $15/person or $45/family. Side dishes, salads, and
desserts are also welcome. We will have lemonade; bring a bottle of wine or make margaritas.
Details and the day's schedule will be in the July newsletter and posted on mailbox stands.

**WELCOME:** Welcome your fellow neighbors to the beach by introducing yourself! When we
have an opportunity to engage in a positive manner, we won’t alienate our own neighbors, and
we can re-direct those that need it. Beaux Arts has always been a place small enough where we
can know our neighbors and can be friendly to one another, truly feeling part of this community.
Let’s keep it that way by getting to know one another better!

BACKFLOW-PREVENTION-DEVICE (BFD) TESTING: Homeowners with lawn irrigation systems, fire sprinklers, and other external systems that are permanently connected to the Town’s water supply must have the BFD on each system tested annually. For several years, the Town has contracted with a certified tester to perform these tests on behalf of homeowners at a cost of about $40 per device. Testing usually begins in July or August.
- If you have participated in the Town’s BFD testing program in the past, and you want to continue participating, you don’t need to do anything; HOWEVER,
- If you have NOT participated and wish to join the Town’s testing program OR if you have participated and wish to make your own arrangements going forward, please contact Clerk/Treasurer Spens at townhall@beauxarts-wa.gov to let her know your desired change. If you make your own arrangements for BFD testing, please be sure to ask the testing company to forward a copy of your results to the Town at this same email address.

COUNCIL BUSINESS: The following discussions took place at the most recent Council meeting:
- **Water Main Project:** The Council solicited bids from several firms but received only one bid for the Water Main Replacement Project. The winning bidder was Bonner Brothers, a firm that has done work for the Water Department on many occasions, and the winning bid was well within budget expectations. Work is expected to get underway sometime this summer. This project will be disruptive at times; the Water Department will work to keep Villagers informed of details to help everyone minimize the impact of these disruptions.
- **Interfund Loan for Water Main Project:** The Council worked on details for an ordinance authorizing a loan from the Town’s General Fund to the Water Department. Final action will take place at the June Council meeting.
• **Bennett Request to Replace Fence**: The Council granted conditional approval to a request from Jim and Karla Bennett to replace a fence that sits on Town right-of-way.

• **Town Property Management**: The Council continued discussing its approach to managing the public spaces and expects to continue the discussion as needed.

**Next COUNCIL MEETING**: The next regular meeting of the Town Council will be held 7pm on **Tuesday, June 11, 2019** at Hans Juhle’s house. Interested persons are encouraged to attend.

**DOGS**: This area is known to be dog-friendly; please remember to be a good dog neighbor:

- Pick up after your dog. Dispose of bags in the garbage bin. There are two bag dispensers available on the beach.
- Keep your dog on a leash, or under voice control. There is an off-leash dog area on the beach near the restrooms just south of the tennis courts (subject to WABA rules).
- Keep your dog out of other people’s yards.
- Have your pets licensed: [https://www.beauxarts-wa.gov/animal-services](https://www.beauxarts-wa.gov/animal-services)

yoga experience required!

WHAT: One hour, all levels vinyasa yoga class taught by yoga instructor and Villager, Leah
Juhle at the swim dock of the WABA beach.
WHEN: Fridays, starting June 7, at 9:00 - 10:00am
PRICE: $15 cash, per person, per session
BRING: Yoga mat, water bottle, cash
SIGN-UP: Please email Robin Stefan if you would like to join us, even for just one session,
so that you can be added to the email list for reminders, schedule changes, announcements,
weather cancellations, etc.

SWIMMING RULES: Please make all your swimmers and guests aware of our swim rules.
1. No child under ten years of age may swim at the beach unless accompanied by an adult.
Exceptions will be granted if the child has passed the swimming test and has a signed
parental release form on file with the lifeguard.
2. The lifeguard is not responsible for anyone swimming outside the roped-off swim area.
3. In order to be allowed on the swim dock or in the water beyond the roped-off “non-
swimmers” area, children must pass the swim test under the lifeguard’s supervision.
4. Non-swimmers are limited to the area next to the beach that is roped off for them. Children who are non-swimmers whether in the water or on the swim dock must at all times be accompanied by an adult or designated appointee who will be responsible for the children’s safety and conduct. Adult non-swimmers are accountable for their own safety. Life jackets are recommended for non-swimmers.

5. Diving and flipping from the high-dive platform is prohibited. Only jumping feet first is permitted. The water level is too low for safe diving. There is no diving from the dock leading to the swim platform.

6. Dogs are not allowed in the swim beach area.

**WABA SUMMER PICNIC, SATURDAY, JULY 27th:** Did you mark your calendar for the annual WABA Summer Picnic? We'll have our traditional fishing derby, followed by the pet parade, some field activities, a junior BARF regatta, kids' and campout. And with so many kids' events, we'd welcome anyone who wants to organize a grown-up activity, such as wine tasting, bocce ball, etc. Please contact Eugenia Yen if you'd like to plan something.

This year, a team of gourmet cooks (headed by Brian Moco) will provide the main picnic fare: a deluxe taco bar with carnitas, chicken, steak, and veggie options. Please contact Brian if you'd like to join the team. Costs will be $15/person or $45/family. Side dishes, salads, and desserts are also welcome. We will have lemonade; bring a bottle of wine or make margaritas. Details and the day's schedule will be in the July newsletter and posted on mailbox stands.

**WELCOME:** Welcome your fellow neighbors to the beach by introducing yourself! When we have an opportunity to engage in a positive manner, we won’t alienate our own neighbors, and we can re-direct those that need it. Beaux Arts has always been a place small enough where we can know our neighbors and can be friendly to one another, truly feeling part of this community. Let’s keep it that way by getting to know one another better!

BACKFLOW-PREVENTION-DEVICE (BFD) TESTING: Homeowners with lawn irrigation systems, fire sprinklers, and other external systems that are permanently connected to the Town’s water supply must have the BFD on each system tested annually. For several years, the Town has contracted with a certified tester to perform these tests on behalf of homeowners at a cost of about $40 per device. Testing usually begins in July or August.

- If you have participated in the Town’s BFD testing program in the past, and you want to continue participating, you don’t need to do anything; HOWEVER,
- If you have NOT participated and wish to join the Town’s testing program OR if you have participated and wish to make your own arrangements going forward, please contact Clerk/Treasurer Spens at townhall@beauxarts-wa.gov to let her know your desired change.

If you make your own arrangements for BFD testing, please be sure to ask the testing company to forward a copy of your results to the Town at this same email address.

COUNCIL BUSINESS: The following discussions took place at the most recent Council meeting:

- **Water Main Project:** The Council solicited bids from several firms but received only one bid for the Water Main Replacement Project. The winning bidder was Bonner Brothers, a firm that has done work for the Water Department on many occasions, and the winning bid was well within budget expectations. Work is expected to get underway sometime this summer. This project will be disruptive at times; the Water Department will work to keep Villagers informed of details to help everyone minimize the impact of these disruptions.

- **Interfund Loan for Water Main Project:** The Council worked on details for an ordinance authorizing a loan from the Town’s General Fund to the Water Department. Final action will take place at the June Council meeting.

SALES TAX NUMBER: #1703

Town Hall: townhall@beauxarts-wa.gov 
Building Dept: bldgdept@beauxarts-wa.gov

Mayor: mayor@beauxarts-wa.gov 
Town Council: council@beauxarts-wa.gov
• **Bennett Request to Replace Fence:** The Council granted conditional approval to a request from Jim and Karla Bennett to replace a fence that sits on Town right-of-way.

• **Town Property Management:** The Council continued discussing its approach to managing the public spaces and expects to continue the discussion as needed.

Next COUNCIL MEETING: The next regular meeting of the Town Council will be held 7pm on **Tuesday, June 11, 2019** at Hans Juhle’s house. Interested persons are encouraged to attend.

**DOGS:** This area is known to be dog-friendly; please remember to be a good dog neighbor:

• Pick up after your dog. Dispose of bags in the garbage bin. There are two bag dispensers available on the beach.

• Keep your dog on a leash, or under voice control. There is an off-leash dog area on the beach near the restrooms just south of the tennis courts (subject to WABA rules).

• Keep your dog out of other people’s yards.

• Have your pets licensed: [https://www.beauxarts-wa.gov/animal-services](https://www.beauxarts-wa.gov/animal-services)

**EAST LINK CONSTRUCTION – SOUND TRANSIT:** Emailed updates show night and weekend ramp or lane closures, and ongoing weekday construction delays in the work zone. Weekly construction updates are now posted on the Town’s website and through Sound Transit: [https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery](https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery)

**KING COUNTY SOLID WASTE DIVISION NEWSLETTER:** Check out our County’s latest report, tips, suggestions and updates through their newsletter on capital projects, the city approval process, community input, recycling, hazardous waste, waste prevention plans, transfer stations and landfill at [https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9](https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9).

**LAKE-TO-LAKE BIKE RIDE in BELLEVUE:** The Bellevue Parks Department is again hosting its Lake-to-Lake Bike Ride on **June 8, 2019**. The event includes two loops: a nine-mile loop through the Lake Hills Greenbelt and a more challenging 22-mile loop that extends farther west and includes the Beaux Arts “Arterial” (104th/SE 28th/105th). Start time for the longer loop is between 9 and 9:30, and the BAV section is at the 8-mile mark, so any bikers choosing to ride this loop should easily be through Beaux Arts by 11 am. For more information about the event, including a route map, please visit [https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride](https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride).

**MARSHAL REPORT:** Mid-May an unknown person was seen going around the backside of a home in the lower village, and a fire was put out by the fire department in the upper village. Please report incidents to the King County Sheriff and the Town Marshal as needed. See also monthly crime statistics or details through:

• King County Sheriff: [https://www.crimereports.com/](https://www.crimereports.com/)

• NextDoor Enatai; [https://enataisurreydowns.nextdoor.com/login/](https://enataisurreydowns.nextdoor.com/login/).

**THANK YOU:** Thanks to ALL who participated in May’s Town Clean-up. Genuine community caring shows in the magnitude of what was accomplished! As you wander the Village, please take notice of all the hard work accomplished, especially on these projects:
• The absence of debris, blackberry brambles and ivy along Academy Path and south woods;
• Wood chips spread at the south end of Glen Path;
• Bushes trimmed along Angle Path;
• Take particular time to admire and test out the new stairway running between the street end of 103rd and SE 28th Place (the south beach hill road). What an improvement! These stairs represent a true team effort. Special thanks are due to Aaron Sharp for organizing and leading the group, and Paul Driftmeyer for donating the concrete pavers; they won’t rot!

TOWN BUILDING NEWS: Permits were issued in the last month for the following work:
2730 – 105th Ave. SE Replace Air Conditioner
2708 – 106th Pl. SE New Heat pump
Most work requires a permit, and/or a zoning review. For example, did you know?
• Structures, including mechanical equipment, are not allowed within the setbacks
• Landscape sprinklers must have an annual back flow prevention testing after permitting
• There are regulations for work in the ROW including some plantings. Please consult the Town’s website https://www.beauxarts-wa.gov/building-department-permit-center and municipal codes, or contact Deputy Clerk Angela Kulp if you have any questions.

TRAFFIC ALERT/“SEATTLE SQUEEZE”: Through 2023, over 1,000 construction projects will continue to change how we move downtown Seattle to accommodate a growing population. The City of Seattle, Washington State Department of Transportation, King County Metro, and Sound Transit are working hard to keep us informed and moving. Please use these tools:
• Seattle Traffic: https://www.seattletraffic.org/, https://www.seattletraffic.org/about/

WATER DEPARTMENT'S ANNUAL CONSUMER CONFIDENCE REPORT: To view the current Consumer Confidence Report for 2019, please visit https://www.beauxarts-wa.gov/water-quality-report. This report outlines key testing requirements and results and documents that the Beaux Arts Water Department meets all requirements for quality, health and safety testing as set by the Washington State Department of Health.

WABA / Western Academy of Beaux Arts Arts NEWS:
B.A.R.F.: Beaux Arts Racing Fleet resumes their annual summer C15 (Coronado 15’) sailboat races; racing starts Wednesday, June 5th and runs through the last Wednesday of August. If you are interested in sailing, but don’t have a boat, please come down and crew. Bring your life jacket. Boats launch around 6:00 pm from the C15 dock at south beach. Or - come watch the racing - just off the C dock, beginning at 6:25pm. A potluck picnic dinner is provided at the north BBQ after the races for all participants.

The kids’ Katy Jo Trophy will be awarded for the winner of the Summer Picnic Junior Regatta again this year. All village kids are encouraged to come out on Saturday, July 27th and race with an adult C15 sailor! And, BARF encourages village kids to come down any Wednesday evening and experience sailing.
Thanks to Chandler and Carey Sharp who are organizing the C15 Nationals at the WABA Beach on July 18-20. BARF encourages all C15 owners to race in the Nationals, or if not, charter their boat to out-of-towners. For more info, contact Fritz Johnston, C15 Fleet Captain, or email the WABA Clerk wabaclerk@gmail.com.

BOARD MEETING: This month’s meeting of the WABA Board of Trustees will be held on Thursday, June 13, 2019 at 7:00pm, at the Driftmeyer residence.

DOG POLICY, effective Memorial Day through Labor Day: In an effort to protect the recently restored Woodlands areas and clarify existing rules, the WABA dog policies have been updated and revised: See the links: Revised Dog Rules and Dog Map with a trail through the south beach parking to the off-leash dog area, mid-beach. Thank you for keeping your dog restricted to these rules for the summer and out of the swim area until after Labor Day. Please see WABA Clerk Kristin Mange with any questions.

KIDS’ SWIM LESSONS NOW AVAILABLE: New this year: children and grandchildren of WABA members can take swimming lessons at the WABA beach. Lessons are taught 1:1, last 30 minutes, and are available from 11am-1pm only. A WABA member must accompany the child during lesson time. Please contact the WABA Clerk for the registration form. Completed registration forms are due to WABA Clerk Kristin Mange by June 28th. Once the form is received, you will be matched with an available instructor. Full payment is due to WABA after the lessons are confirmed.

LOST & FOUND: Found – a portable cell phone charger. See Deputy Clerk Kulp to describe.

MASTERS REPORTS: From our tireless volunteers that oversee our community waterfront

BEACH: Please remember the beach rule that any guests must be accompanied at the beach by a member, and all vehicles must have WABA stickers or guest passes when parked at the beach. Please see Mark Schaadt for any beach questions.

DOCKS: See Jay Jacobsen

WOODLANDS: See Julia Morse

MEET THE WABA LIFEGUARDS! We are pleased to again have a crew of experienced lifeguards this year. Come meet them and have a Popsicle on Friday, June 21st at 12:30pm.

MOVIE NIGHTS! Back by popular demand! Bring a blanket or low-backed lawn chair and come enjoy a movie under the stars. Thanks to Tom Garvey and Shep Griswold for organizing. Movies are TBD and will be shown at 9:15pm on these dates:

- Friday, June 28th
- Friday, July 26th
- Thursday, August 22nd

PICKLE BALL MONDAYS: Come be a part of the newest WABA summer tradition… Pickle Ball Mondays starting Monday, June 10, 6-8 pm. Newbie’s encouraged; paddles and balls will be provided! Games will be doubles format (two people on a team) and teams will be selected each Monday, based on attendees. We will assign points to winners and there will be an awards bbq and prizes at the end of the summer.

SPONTANEOUS SUMMER POP-UP PARTY, Sunday, June 2 from 4:00-6:00pm:
Celebrate our wildlife, our trails, and all of our new neighbors.

Our two resident eagles are raising eaglets in the great big eagle’s nest at the top of the trails.

In the last 12-months we’ve had 11 new families move into the Village - this would be a good time to say Welcome!

We’d like to invite everyone who is available Sunday to come down to the beach & enjoy appetizers and a beverage, and maybe stay until sunset with your own picnic dinner. Please RSVP so we can plan the drinks and snacks. If you’d like to contribute, please do!

Sign up for a Trail walk and Eagle’s Nest Viewing – 4:00 – 4:30pm.

If you’d like to come to the beach by way of the Woodland trails, or the Village trails, we can arrange for a neighbor to show you the way as needed.

We especially encourage you to stop and see the eagles’ nest from a great viewing point near Richards-Jacobsen/Vasen/and D’Alessio houses; we’ll have a telescope set up, and invite you to bring your binoculars, as well as your questions – our eagles are busy bringing in fish and small creatures for their young, and they’ve successfully raised one or two eaglets in our Village each year for the last 20+ years.

SUMMER LIFEGUARD SCHEDULE: Lifeguards begin their summer hours on Wednesday, June 19th! Regular hours for the summer are:

1pm - 6pm on Sundays-Thursdays
1pm - 7pm on Fridays and Saturdays

Lifeguard shifts may occasionally be cancelled due to inclement weather. If there are changes to the schedule, a message will be put on the board at the beach. Please note if you are planning a large event with a lot of children at the beach, you may be asked to provide a lifeguard.

SUMMER YOGA BEGINS: Friday, June 7th at 9:00am. Come join the first of this summer’s weekly morning yoga sessions at the BAV beach taught by our very own Leah Juhle. Leah is a cheerful, positive, delightful instructor who will guide us through an invigorating slow flow, offering options and modifications for all levels of practice. This is such a special opportunity to experience outdoor yoga in the fresh air, stimulating all of our senses. Invite a neighbor or other friend to come with you! The yoga sessions will be held weekly on Fridays at 9:00am. No yoga experience required!

WHAT: One hour, all levels vinyasa yoga class taught by yoga instructor and Villager, Leah Juhle at the swim dock of the WABA beach.

WHEN: Fridays, starting June 7, at 9:00 - 10:00am

PRICE: $15 cash, per person, per session

BRING: Yoga mat, water bottle, cash

SIGN-UP: Please email Robin Stefan if you would like to join us, even for just one session, so that you can be added to the email list for reminders, schedule changes, announcements, weather cancellations, etc.

SWIMMING RULES: Please make all your swimmers and guests aware of our swim rules.
1. No child under ten years of age may swim at the beach unless accompanied by an adult. Exceptions will be granted if the child has passed the swimming test and has a signed parental release form on file with the lifeguard.
2. The lifeguard is not responsible for anyone swimming outside the roped-off swim area.
3. In order to be allowed on the swim dock or in the water beyond the roped-off “non-swimmers” area, children must pass the swim test under the lifeguard’s supervision.
4. Non-swimmers are limited to the area next to the beach that is roped off for them. Children who are non-swimmers whether in the water or on the swim dock must at all times be accompanied by an adult or designated appointee who will be responsible for the children’s safety and conduct. Adult non-swimmers are accountable for their own safety. Life jackets are recommended for non-swimmers.

5. Diving and flipping from the high-dive platform is prohibited. Only jumping feet first is permitted. The water level is too low for safe diving. There is no diving from the dock leading to the swim platform.

6. Dogs are not allowed in the swim beach area.

**WATER DEPARTMENT'S ANNUAL CONSUMER CONFIDENCE REPORT**: To view the current Consumer Confidence Report for 2019, please visit [https://www.beauxarts-wa.gov/water-quality-report](https://www.beauxarts-wa.gov/water-quality-report). This report outlines key testing requirements and results and documents that the Beaux Arts Water Department meets all requirements for quality, health and safety testing as set by the Washington State Department of Health.

**WABA / Western Academy of Beaux Arts NEWS:**

**B.A.R.F.:** Beaux Arts Racing Fleet resumes their annual summer C15 (Coronado 15’) sailboat races; racing starts Wednesday, June 5th and runs through the last Wednesday of August. If you are interested in sailing, but don’t have a boat, please come down and crew. Bring your life jacket. Boats launch around 6:00 pm from the C15 dock at south beach. Or - come watch the racing - just off the C dock, beginning at 6:25pm. A potluck picnic dinner is provided at the north BBQ after the races for all participants.

The kids' Katy Jo Trophy will be awarded for the winner of the Summer Picnic Junior Regatta again this year. All village kids are encouraged to come out on Saturday, July 27th and race with an adult C15 sailor! And, BARF encourages village kids to come down any Wednesday evening and experience sailing.
Thanks to Chandler and Carey Sharp who are organizing the C15 Nationals at the WABA Beach on July 18-20. BARF encourages all C15 owners to race in the Nationals, or if not, charter their boat to out-of-towners. For more info, contact Fritz Johnston, C15 Fleet Captain, or email the WABA Clerk wabaclerk@gmail.com.

BOARD MEETING: This month’s meeting of the WABA Board of Trustees will be held on Thursday, June 13, 2019 at 7:00pm, at the Driftmeyer residence.

DOG POLICY, effective Memorial Day through Labor Day: In an effort to protect the recently restored Woodlands areas and clarify existing rules, the WABA dog policies have been updated and revised: See the links: Revised Dog Rules and Dog Map with a trail through the south beach parking to the off-leash dog area, mid-beach. Thank you for keeping your dog restricted to these rules for the summer and out of the swim area until after Labor Day. Please see WABA Clerk Kristin Mange with any questions.

KIDS' SWIM LESSONS NOW AVAILABLE: New this year: children and grandchildren of WABA members can take swimming lessons at the WABA beach. Lessons are taught 1:1, last 30 minutes, and are available from 11am-1pm only. A WABA member must accompany the child during lesson time. Please contact the WABA Clerk for the registration form. Completed registration forms are due to WABA Clerk Kristin Mange by June 28th. Once the form is received, you will be matched with an available instructor. Full payment is due to WABA after the lessons are confirmed.

LOST & FOUND: Found – a portable cell phone charger. See Deputy Clerk Kulp to describe.

MASTERS REPORTS: From our tireless volunteers that oversee our community waterfront
BEACH: Please remember the beach rule that any guests must be accompanied at the beach by a member, and all vehicles must have WABA stickers or guest passes when parked at the beach. Please see Mark Schaadt for any beach questions.
DOCKS: See Jay Jacobsen
WOODLANDS: See Julia Morse

MEET THE WABA LIFEGUARDS! We are pleased to again have a crew of experienced lifeguards this year. Come meet them and have a Popsicle on Friday, June 21st at 12:30pm.

MOVIE NIGHTS! Back by popular demand! Bring a blanket or low-backed lawn chair and come enjoy a movie under the stars. Thanks to Tom Garvey and Shep Griswold for organizing. Movies are TBD and will be shown at 9:15pm on these dates:
- Friday, June 28th
- Friday, July 26th
- Thursday, August 22nd

PICKLE BALL MONDAYS: Come be a part of the newest WABA summer tradition… Pickle Ball Mondays starting Monday, June 10, 6-8 pm. Newbie’s encouraged; paddles and balls will be provided! Games will be doubles format (two people on a team) and teams will be selected each Monday, based on attendees. We will assign points to winners and there will be an awards bbq and prizes at the end of the summer.

SPONTANEOUS SUMMER POP-UP PARTY, Sunday, June 2 from 4:00-6:00pm:
Celebrate our wildlife, our trails, and all of our new neighbors

Our two resident eagles are raising eaglets in the great big eagle’s nest at the top of the trails

In the last 12-months we’ve had 11 new families move into the Village - this would be a good time to say Welcome!

We’d like to invite everyone who is available Sunday to come down to the beach & enjoy appetizers and a beverage, and maybe stay until sunset with your own picnic dinner

Please RSVP so we can plan the drinks and snacks. If you’d like to contribute, please do!

Sign up for a Trail walk and Eagle’s Nest Viewing – 4:00 – 4:30pm

If you’d like to come to the beach by way of the Woodland trails, or the Village trails, we can arrange for a neighbor to show you the way as needed.

We especially encourage you to stop and see the eagles’ nest from a great viewing point near Richards-Jacobsen/Vasen/ and D’Alessio houses; we’ll have a telescope set up, and invite you to bring your binoculars, as well as your questions – our eagles are busy bringing in fish and small creatures for their young, and they’ve successfully raised one or two eaglets in our Village each year for the last 20+ years.

SUMMER LIFEGUARD SCHEDULE: Lifeguards begin their summer hours on Wednesday, June 19th! Regular hours for the summer are:

1pm - 6pm on Sundays–Thursdays
1pm - 7pm on Fridays and Saturdays

Lifeguard shifts may occasionally be cancelled due to inclement weather. If there are changes to the schedule, a message will be put on the board at the beach. Please note if you are planning a large event with a lot of children at the beach, you may be asked to provide a lifeguard.

SUMMER YOGA BEGINS: Friday, June 7th at 9:00am. Come join the first of this summer’s weekly morning yoga sessions at the BAV beach taught by our very own Leah Juhle. Leah is a cheerful, positive, delightful instructor who will guide us through an invigorating slow flow, offering options and modifications for all levels of practice. This is such a special opportunity to experience outdoor yoga in the fresh air, stimulating all of our senses. Invite a neighbor or other friend to come with you! The yoga sessions will be held weekly on Fridays at 9:00am. No yoga experience required!

WHAT: One hour, all levels vinyasa yoga class taught by yoga instructor and Villager, Leah Juhle at the swim dock of the WABA beach.

WHEN: Fridays, starting June 7, at 9:00 - 10:00am

PRICE: $15 cash, per person, per session

BRING: Yoga mat, water bottle, cash

SIGN-UP: Please email Robin Stefan if you would like to join us, even for just one session, so that you can be added to the email list for reminders, schedule changes, announcements, weather cancellations, etc.

SWIMMING RULES: Please make all your swimmers and guests aware of our swim rules.

1. No child under ten years of age may swim at the beach unless accompanied by an adult. Exceptions will be granted if the child has passed the swimming test and has a signed parental release form on file with the lifeguard.

2. The lifeguard is not responsible for anyone swimming outside the roped-off swim area.

3. In order to be allowed on the swim dock or in the water beyond the roped-off “non-swimmers” area, children must pass the swim test under the lifeguard’s supervision.
4. Non-swimmers are limited to the area next to the beach that is roped off for them. Children who are non-swimmers whether in the water or on the swim dock must at all times be accompanied by an adult or designated appointee who will be responsible for the children’s safety and conduct. Adult non-swimmers are accountable for their own safety. Life jackets are recommended for non-swimmers.

5. Diving and flipping from the high-dive platform is prohibited. Only jumping feet first is permitted. The water level is too low for safe diving. There is no diving from the dock leading to the swim platform.

6. Dogs are not allowed in the swim beach area.

**WABA SUMMER PICNIC, SATURDAY, JULY 27th:** Did you mark your calendar for the annual WABA Summer Picnic? We'll have our traditional fishing derby, followed by the pet parade, some field activities, a junior BARF regatta, kids' and campout. And with so many kids' events, we'd welcome anyone who wants to organize a grown-up activity, such as wine tasting, bocce ball, etc. Please contact Eugenia Yen if you'd like to plan something.

This year, a team of gourmet cooks (headed by Brian Moco) will provide the main picnic fare: a deluxe taco bar with carnitas, chicken, steak, and veggie options. Please contact Brian if you'd like to join the team. Costs will be $15/person or $45/family. Side dishes, salads, and desserts are also welcome. We will have lemonade; bring a bottle of wine or make margaritas. Details and the day's schedule will be in the July newsletter and posted on mailbox stands.

**WELCOME:** Welcome your fellow neighbors to the beach by introducing yourself! When we have an opportunity to engage in a positive manner, we won’t alienate our own neighbors, and we can re-direct those that need it. Beaux Arts has always been a place small enough where we can know our neighbors and can be friendly to one another, truly feeling part of this community. Let’s keep it that way by getting to know one another better!

BACKFLOW-PREVENTION-DEVICE (BFD) TESTING: Homeowners with lawn irrigation systems, fire sprinklers, and other external systems that are permanently connected to the Town’s water supply must have the BFD on each system tested annually. For several years, the Town has contracted with a certified tester to perform these tests on behalf of homeowners at a cost of about $40 per device. Testing usually begins in July or August.

- If you have participated in the Town’s BFD testing program in the past, and you want to continue participating, you don’t need to do anything; HOWEVER,

- If you have NOT participated and wish to join the Town’s testing program OR if you have participated and wish to make your own arrangements going forward, please contact Clerk/Treasurer Spens at townhall@beauxarts-wa.gov to let her know your desired change. If you make your own arrangements for BFD testing, please be sure to ask the testing company to forward a copy of your results to the Town at this same email address.

COUNCIL BUSINESS: The following discussions took place at the most recent Council meeting:

- **Water Main Project:** The Council solicited bids from several firms but received only one bid for the Water Main Replacement Project. The winning bidder was Bonner Brothers, a firm that has done work for the Water Department on many occasions, and the winning bid was well within budget expectations. Work is expected to get underway sometime this summer. This project will be disruptive at times; the Water Department will work to keep Villagers informed of details to help everyone minimize the impact of these disruptions.

- **Interfund Loan for Water Main Project:** The Council worked on details for an ordinance authorizing a loan from the Town’s General Fund to the Water Department. Final action will take place at the June Council meeting.
• **Bennett Request to Replace Fence**: The Council granted conditional approval to a request from Jim and Karla Bennett to replace a fence that sits on Town right-of-way.

• **Town Property Management**: The Council continued discussing its approach to managing the public spaces and expects to continue the discussion as needed.

**Next COUNCIL MEETING**: The next regular meeting of the Town Council will be held 7pm on **Tuesday, June 11, 2019** at Hans Juhle’s house. Interested persons are encouraged to attend.

**DOGS**: This area is known to be dog-friendly; please remember to be a good dog neighbor:

- Pick up after your dog. Dispose of bags in the garbage bin. There are two bag dispensers available on the beach.
- Keep your dog on a leash, or under voice control. There is an off-leash dog area on the beach near the restrooms just south of the tennis courts (subject to WABA rules).
- Keep your dog out of other people’s yards.
- Have your pets licensed: [https://www.beauxarts-wa.gov/animal-services](https://www.beauxarts-wa.gov/animal-services)

**EAST LINK CONSTRUCTION – SOUND TRANSIT**: Emailed updates show night and weekend ramp or lane closures, and ongoing weekday construction delays in the work zone. Weekly construction updates are now posted on the Town’s website and through Sound Transit: [https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery](https://beta.soundtransit.org/start?utm_campaign=web_launch_beta&utm_medium=email&utm_source=govdelivery)

**KING COUNTY SOLID WASTE DIVISION NEWSLETTER**: Check out our County’s latest report, tips, suggestions and updates through their newsletter on capital projects, the city approval process, community input, recycling, hazardous waste, waste prevention plans, transfer stations and landfill at [https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9](https://content.govdelivery.com/accounts/WAKING/bulletins/24389e9).

**LAKE-TO-LAKE BIKE RIDE in BELLEVUE**: The Bellevue Parks Department is again hosting its Lake-to-Lake Bike Ride on **June 8, 2019**. The event includes two loops: a nine-mile loop through the Lake Hills Greenbelt and a more challenging 22-mile loop that extends farther west and includes the Beaux Arts “Arterial” (104th/SE 28th/105th). Start time for the longer loop is between 9 and 9:30, and the BAV section is at the 8-mile mark, so any bikers choosing to ride this loop should easily be through Beaux Arts by 11 am. For more information about the event, including a route map, please visit [https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride](https://parks.bellevuewa.gov/special-events/lake-to-lake-bike-ride).

**MARSHAL REPORT**: Mid-May an unknown person was seen going around the backside of a home in the lower village, and a fire was put out by the fire department in the upper village. Please report incidents to the King County Sheriff and the Town Marshal as needed. See also monthly crime statistics or details through:

- King County Sheriff: [https://www.crimereports.com/](https://www.crimereports.com/)
- NextDoor Enatai; [https://enataisurreydowns.nextdoor.com/login/](https://enataisurreydowns.nextdoor.com/login/).

**THANK YOU**: Thanks to ALL who participated in May’s Town Clean-up. Genuine community caring shows in the magnitude of what was accomplished! As you wander the Village, please take notice of all the hard work accomplished, especially on these projects:
• The absence of debris, blackberry brambles and ivy along Academy Path and south woods;
• Wood chips spread at the south end of Glen Path;
• Bushes trimmed along Angle Path;
• Take particular time to admire and test out the new stairway running between the street end of 103rd and SE 28th Place (the south beach hill road). What an improvement! These stairs represent a true team effort. Special thanks are due to Aaron Sharp for organizing and leading the group, and Paul Driftmeyer for donating the concrete pavers; they won’t rot!

TOWN BUILDING NEWS: Permits were issued in the last month for the following work:
2730 – 105th Ave. SE Replace Air Conditioner
2708 – 106th Pl. SE New Heat pump
Most work requires a permit, and/or a zoning review. For example, did you know?
• Structures, including mechanical equipment, are not allowed within the setbacks
• Landscape sprinklers must have an annual back flow prevention testing after permitting
• There are regulations for work in the ROW including some plantings. Please consult the Town’s website https://www.beauxarts-wa.gov/building-department-permit-center and municipal codes, or contact Deputy Clerk Angela Kulp if you have any questions.

TRAFFIC ALERT/“SEATTLE SQUEEZE”: Through 2023, over 1,000 construction projects will continue to change how we move downtown Seattle to accommodate a growing population.
